Other buildings affected: The Dukes Head removed from market, windows boarded and steel posts inserted at entrance to parking area.

Dukes Head

Manor Farmhouse refurbishment completed and property sold subject to contract.

Manor Farm House

Shrublands Hall and estate may now be unoccupied. No further reservations have been possible at the hall and spa facility. The *East Anglian Daily Times* printed a front page article asking: What is happening at Shrublands Hall?

The Dower House and Brambles, the red brick house beyond, sold.

The Old Post Office was sold during the year.

Other properties on the Street recently sold or for sale: Foresters (left) and High View (the cottage with dormer window, right).

Fatal accident occurred at the bridge entering Coddendam from Needham Road; incidental damage to the bridge for the second time.

11/01/17: oak posts re-erected, brickwork and coping by right hand post restored.

An election to the Parish Council held in November: the first in 30 years. A further casual vacancy occurred in December, with arrangement for an election early in 2017.

Coddendam Country Club continues to function, supplying some of the facilities previously available at the Dukes Head.

The Village History Club continues to flourish, with good audiences for a variety of speakers on local and more general historical topics.

A close watch on the natural environment is maintained by enthusiasts, with Brenda Hudson contributing detailed reports to "Six Village News," a community magazine.
