MINUTES OF THE PARISH COUNCIL PLANNING MEETING
HELD AT 7.30pm ON WEDNESDAY 7th JANUARY 2015

Present: Cllrs Burton, West and Keeble

- 1 To **RECEIVE** and **APPROVE** apologies for absence – Cllrs Burgess and Hardy
- 2 To **RECEIVE** declarations of interest - NONE
To **RECEIVE** and **APPROVE** non-delegated DPI dispensations requested by a councillor – NONE requested
- 3 To **CONSIDER** a response to planning application 3925/14
Location: Hill Farm, Coddenham Green, Coddenham
Proposal: Alterations and extension to existing straw barn to create additional pig rearing building and erection of ancillary feed bins

The Parish Council **SUPPORTS** application with the following comments:

"The application for further intensification of use would bring unavoidable noise of confined pigs closer to neighbouring dwellings.

Objection to the proposal has been made by old established neighbours, who are entitled to reasonable quiet enjoyment of their homes.

The Parish Council therefore requests that the District Council explores with the applicant the location of the intensification elsewhere within the extensive farm and considers some form of sound attenuation on the Southside.

A condition restricting the lorry movement of pigs and feed delivery within the hours of 7am to 10pm is also requested."
